

Dear all valued customers,

Effective 1 March 2021, our Document Handling Fee is now R2 250 per vehicle (excluding VAT)

The following amounts must be added to the original sale (bid) amount:

- 5% buyer's premium
- R2,250 document handling fee and
- VAT on the total transaction.

To help you with this, the formula to work out your final amount is as follows:

$$((\text{Sale price} \times 5 \div 100) + \text{Sale price} + \text{R2,250}) \times 1.15 = \text{Total price for all payments, other than cash, including VAT.}$$

A 0,5% cash handling fee will also be levied on all cash payments. To avoid these fees, request the tellers at the bank to electronically transfer the money to our bank account. If you are transferring the money from any bank other than FNB, please use a 'Pay and clear now' option to ensure the funds show immediately. Cars will not be released unless the money reflects in our account.

Kindly see the table below as a guide (if the final amount is paid in full with cash, the 'Total-Cash payment' column will be payable):
